1. STATE COMMANDERS MESSAGE:

Comrades, this administrative year is rapidly growing to a close. The Department has been very active during the year. Your involvement in service to veterans, participating in community events and support of VFW Programs has provided an example for all Departments to emulate. I would like to thank all members for their support of TEAM VIRGINIA. We are still a little short of our membership goal. At this writing we still need 285 members and we have until the end of June to reach our goal. With your help, the Department can still reach 100% or more in Membership.

I sincerely hope to see and speak to each of you at our Department Convention. Remember, that if you don't attend meetings, voice your opinion and cast your vote, then the changes you would like to have will never occur. Again, I would like to thank you for helping the Department during the year and ask you to be always "UNITED FOR SERVICE TO AMERICA".

Pete Snelling
State Commander

2. MEMBERSHIP:

There is still time. The Membership year ends June 30, 2004.

Tom W. Hines
Membership Chairman

Checks, money orders, and credit cards will be accepted as payment. If you receive a hard copy of the General Orders and have the ability to print satisfactory copies from the internet please call us or e-mail us at stateheadquarters@vfw-virginia.com so we can remove your name from the mailing label file.

Show Pride on Flag Day

The U.S. flag can be seen flying everywhere to honor those who died in the war on terrorism and as a symbol of unity. Many individuals asking questions about proper flag etiquette have contacted the Veterans of Foreign Wars (VFW) and we appreciate their questions. As we approach the official day honoring our flag on June 14th, Flag Day, it is a great opportunity to show our pride.

To assist in displaying our nation's symbol, I would like to share a few guidelines:

" A flag displayed on a car should be fastened to the right side bumper, antenna or to the window.

" If displaying a flag on a wall, the blue field should be in the upper left corner and the flag should never touch the ground.

" When displaying an all-weather flag outdoors, 24 hours a day, there should be a light near it at night so it is not in complete darkness.

" Above all, when the flag becomes worn, please replace it.

For additional flag etiquette, visit the VFW website at www.vfw.org, other websites such as www.usflag.org/flag.etiquette.html, or contact your local Post Commander.

Remember, Old Glory has been flying for more than 225 years and will be flying for many, many years in the future. Thanks you for showing your patriotic pride.

God Bless America!

13. SPECIAL ORDER NO. 222:

Upon the recommendation of the Commander, Department of Virginia, and in accordance with the provisions of Section 210 of the National By-Laws, the charter of Cumberland County Post No. 9618, Cumberland, Virginia mustered October 17, 1978, is hereby canceled and the Post declared defunct. The Commander, Department of Virginia, will at once recover the charter, rituals, paraphernalia and all monies and other property of the Post in accordance with the provisions of the Nationals By-Laws.

By Order Of
Edward S. Banas, Sr
Commander-in-Chief.

14. LEGISLATIVE:

COMMONWEALTH BUDGET SUPPORT FOR VETERANS DISAPPOINTING

For years, the top legislative issue of the VFW Department of Virginia has been the inadequate funding of the Virginia Department of Veterans Services (VDVS), formerly called the Virginia Department of Veterans Affairs, or VDVA. Since 1989 there has been a steady decrease of full-time Veterans Claims Agents and operational field offices throughout the Commonwealth. Based on information provided by a VDVS representative there are now only 34 full-time equivalent personnel in the Benefits Division of the VDVS. Please note that this division performs the mission of the VDVA. Moreover, some of these existing field offices are either staffed by part-time personnel or manned only once or twice a week by Claims Agents based in other locations. During the Department's Legislative Day in Richmond on 16 January 2004, we informed the Lieutenant Governor and members of the General Assembly of our dissatisfaction with the funding of the Benefits Division of the VDVS. There is compelling justification for a major increase in the number of full-time Claims Agents and fully operational field offices. We informed cited individuals of the Department's position on this extremely serious matter. The Department's position is that sufficient funds should be authorized and appropriated in the Commonwealth's budget to permit, as an absolute minimum, an increase of at least 15 additional Claims Agents and support personnel in the Benefits Division, plus the opening and reopening of needed field offices.

What, you may ask, did the more than 763,000 veterans in Virginia, get in the Commonwealth's budget for the next two years regarding additional Claims Agents and support personnel? The budget includes funds only for three additional Claims Agents and one support personnel for offices in Wytheville, Cedar Bluff, Big Stone Gap and Charlottesville! This is unacceptable. These token increases do not come close in making up the staffing cuts since 1 October 2002. Prior to that date there were 47 fulltime and 11 part-time employees. On 16 December 2002, Governor Mark Warner stated that the welfare of Virginia's veterans was one of the most important priorities of his administration. It is time for him, and also members of the General Assembly, to prove that we veterans are important to them and cannot be taken for granted. The failure of Governor Warner and his administration, plus the members of the General Assembly, to act in responsible manner regarding the issue addressed above, has been, to say the least, distressing.

John P. McAnaw, Chairman
Legislative Committee
